"Maybe there's a free lunch, too?"

Technology adoption by households in the United States

Technology adoption rates, measured as the percentage of households in the United States owning, or the adoption rates of, a particular technology. See the sources tab for definitions of household adoption, or adoption rates, by technology type.

Purdue Guest Wi-Fi

The AT&T Wifi service is brought to you courtesy of Purdue Extended Campus, the center for Career Opportunities, and ITaP.

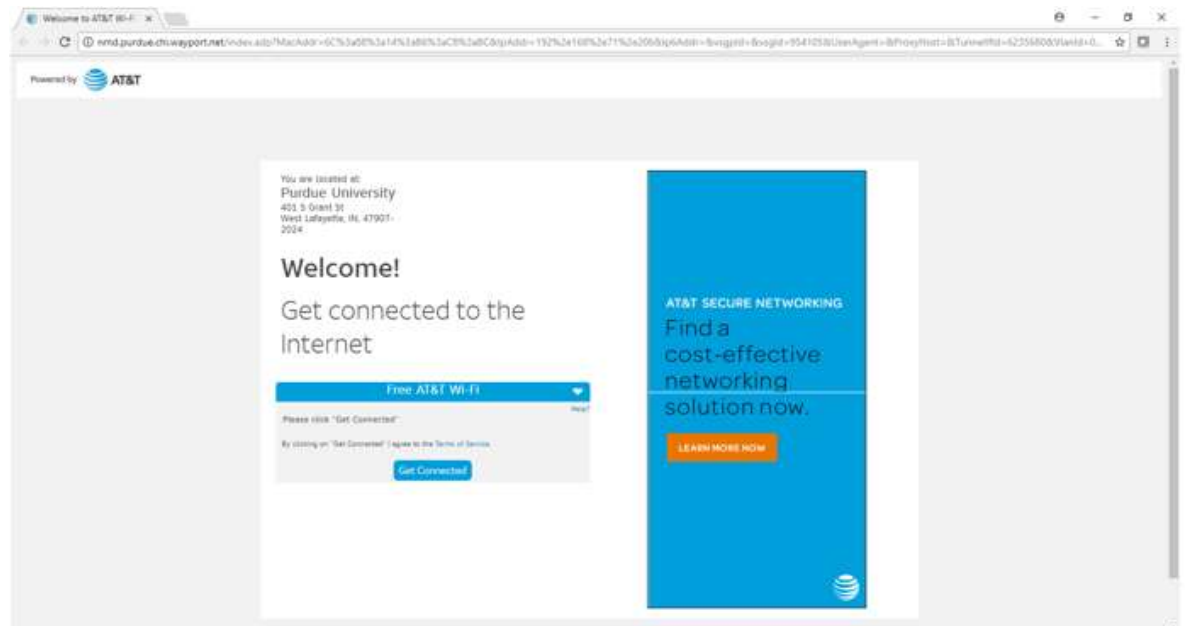

Guests to the university can access AT&T's Wi-Fi service and connect to the Internet from their mobile devices and laptops while on Purdue's campus for no charge.

The wireless networks name is 'attwifi'. If you select the 'attwifi' network, your web browser will be redirected to a "Terms of Service" page and by accepting the TOS, you gain access to Internet. There is no userid or password required for this service and it is free of charge.
