Facebook

- Select desired action
- Yes, it is just a REQUEST
- Facebook delays action for "a few days"
- A subsequent login during this period will CANCEL your request
- Delete the app from your device and don't visit
- Download first if you don't want to lose your data

Deactivating or deleting your Facebook account
If you want to take a break from Facebook, you can deactivate your account. If you want to permanently delete your Facebook account, let us know.

Deactivate account
This can be temporary.
Your account will be disabled and your name and photos will be removed from most things you've shared. You'll be able to continue using Messenger.

Delete account
This is permanent.
When you delete your Facebook account, you won't be able to retrieve the content or information you've shared on Facebook. Your Messenger and all of your messages will also be deleted.
